

**State of Washington  
Department of Transportation  
Notice to Consultants  
Tacoma Narrows Bridge Event Planning, Coordination &  
Management Services**

The Washington State Department of Transportation (WSDOT) solicits interest from consultants who wish to be evaluated and considered to provide Event Planning, Coordination, and Management for the grand opening of the new Tacoma Narrows Bridge project. The approximate dollar value of the consultant agreement will be \$350,000. WSDOT may award one (1) agreement. The agreement will be for approximately one (1) year in duration with the option for WSDOT to extend it for additional time if necessary.
